## Letter from American Legion Bonneville Post 56

To all American Legion Baseball Fans,

American Legion Bonneville Post 56 has always been a very strong supporter of American Legion Baseball in our community. Our Post supports many youth activities throughout the State and we feel we are helping to shape the future of the youth in our community and tomorrow's leaders. Our baseball program promotes a strong sense of teamwork and sportsmanship that remains with the team members for the rest of their lives. Our Code of Sportsmanship stresses following the rules, controlling tempers, keeping fit and being a strong and dependable teammate. We want the best from our players and for them to always live up to our expectations to become some of our strongest and most dependable citizens. Our rules of sportsmanship apply to the coaches, players, umpires, parents, and fans.

We are very proud of all our players and their coaches who serve as great examples for upcoming younger players and the community in general. Our players go on to become leaders at all levels in our community and nation and we are proud to be a part of their lives. We provide support to formulate the baseline that determines the character of these future leaders.

Sincerely,

Robert L. Skinner  
Commander, Post 56

Robert G. Akins  
Director, District 7  
American Legion Baseball

## Letter from the Idaho Falls American Legion Baseball League President

Dear American Legion Baseball Fans,

Another year of great baseball, high hopes and aspirations are upon us with the 2009 American Legion baseball season. We are proud to have five strong teams this year with two “AA” teams; the Russets and Reds, and three “A” teams, the Red Sox, Royals and Rangers. These teams will represent the Idaho Falls area well with strong rosters and highly experienced coaching.

We are excited to bring in what we feel is a high quality seasonal program as we are always exploring ways to make the league better and more affordable in these times of high cost.

All of us on the board of directors for the league greatly appreciate your participation as fans, players, parents, coaches, umpires, sponsors and other support areas for what is a fun, exciting, and highly memorable time in the lives of these young men. Our goal is to have each player develop in maturity and skill level through hard work, team work, good sportsmanship and strong citizenship. Without the involvement of everyone else this simply would not be possible.

And a special thanks to the Idaho Falls American Legion Post 56 who always provides us needed support every year in making this program a success.

Please enjoy the season and attend as many games as possible. The team’s schedules are located on our webpage at [www.ifalbb.com](http://www.ifalbb.com). Also enjoy your new program.

Sincerely,

Craig Kvamme  
President, IFALBB

**Coach Richard Belknap**

time and the three facets of the game will work together and be reflected accordingly in the win column. We have enjoyed great support from our parents, the board, and most importantly the American Legion Post 56.

**Assistant Coach Jason Ralph Bio...** Graduated from Idaho Falls High School in 2008. Male Athlete of the Year at Idaho Falls High School. Attended Eastern Arizona College this past year on a baseball scholarship. Started at second base for Eastern Arizona and led the team in batting average. He is serving an LDS Mission to Trujillo Peru and leaves September 30.

**Coach Richard L. Belknap Message...** The 2009 Rangers have made progress in ways that are not always measured in wins and losses. The realization that this level of competition requires a higher amount of preparation and execution to be successful has been key. Through that process of learning we have taken some lumps and given some back. The players are recognizing the value of individual accountability, focusing on what they have direct control over and not worrying about those factors of the game they don't have control over. Most importantly we are making adjustments, as needed, to find what is working to generate success.

The pitching staff is working to produce more quality starts, (5+ innings with three runs or less). Hitters are looking to minimize bad outs, move runners over, and maintain plate discipline. Defensively, we are working on execution and communication to insure that we are not beating ourselves. As a work in progress we are finding our way. Hopefully we will peak at the right

*Coach Belknap was born in Idaho Falls, played high school baseball in Puyallup, Washington; attended Southern Utah University; coached at Parowan HS, Timpanogos HS, Lone Peak HS, and East Shore HS. He works at Eastern Idaho Technical College. Coach Belknap is father of Kaleb, Leah and Zack.*

**Coach Bryan Moses**

**Coach Bryan Moses Message...** In my first year as Head Coach of the Idaho Falls Reds I have been impressed with many aspects of Legion Baseball. First and foremost I have appreciated the effort from my players and their love for the game. They have made it very apparent that the west side of town loves to play baseball. The Reds of proved that baseball is truly a summer sport and a way of life. Our club has also enjoyed the hard work and dedication of Assistant Coach, Mike Occhionero who provides much need knowledge and intensity. Our parents and fans have been behind the team 100 percent which helps make American Legion Baseball a positive experience for everybody. I want to wish good luck to my seniors and returning college players... your presence has been felt and I have no doubts that you thrive as society throws you more challenges. In closing I'd like to thank Post 56 for the this opportunity and I look forward to more summer ball here in IF.

***Coach Brandon Jackson Message...*** Take me out to the ball game! That statement says it all. I love the game of baseball and believe I have the ability to pass that on to the ball players I coach.

I am happy with the progress the boys have been showing and feel very confident that we will have it all together going into districts. I believe that these boys have the work ethic and desire that will continue to bring them success on the ball field and in life.

Thanks to all those who help make the Royals team successful, from our parents to our fans. We appreciate our sponsors and all the hard work that goes into American Legion Baseball.
