Letter from American Legion Bonneville Post 56

To all American Legion Baseball Fans,

American Legion Bonneville Post 56 has always been a very strong supporter of American Legion Baseball in our community. Our Post supports many youth activities throughout the State and we feel we are helping to shape the future of the youth in our community and tomorrow's leaders. Our baseball program promotes a strong sense of teamwork and sportsmanship that remains with the team members for the rest of their lives. Our Code of Sportsmanship stresses following the rules, controlling tempers, keeping fit and being a strong and dependable teammate. We want the best from our players and for them to always live up to our expectations to become some of our strongest and most dependable citizens. Our rules of sportsmanship apply to the coaches, players, umpires, parents, and fans.

We are very proud of all our players and their coaches who serve as great examples for upcoming younger players and the community in general. Our players go on to become leaders at all levels in our community and nation and we are proud to be a part of their lives. We provide support to formulate the baseline that determines the character of these future leaders.

Letter from the Idaho Falls American Legion Baseball League President

Dear American Legion Baseball Fans,

Another year of great baseball, high hopes and aspirations are upon us. We are proud of our teams again this year. Idaho Falls American Legion consists of three teams this year. The Russets (AA), the Royals and the Rangers (A). As always, these teams represent the Idaho Falls area well. These young men and coaches are of great caliber and promote the sport of baseball.

The board of directors for the league greatly appreciate your participation as fans, players, parents, coaches, umpires, and sponsors. Our goal is to have each player develop in maturity and skill level through hard work, team work, good sportsmanship and strong citizenship.

We encourage all to get involved with American Legion Baseball and make a difference in these young men's lives.

A special thanks as always to the Idaho Falls American Legion Post 56 who provides us the needed support every year to make this baseball program a success.

Front Row Left to Right: Michael Birch, Jack Carpenter, Anthony Brady, Nick Wixom, Patrick Greene, Walker Jones, Adam Thayer.

Coach Shaun Rose

Coach Shawn Rose Message... Coach Rose is in his second year with the Rangers and looking forward to the team building on the foundation laid last season. With most of the previous year's team returning and some very talented newcomers the Rangers are determined to be competitive in the district. Shawn teaches mathematics at Skyline High School where he was previously a three sport athlete, as well as a varsity baseball coach. He and his wife Tosha have four children: Carter, Nate, Marley and Preston. Carter and Nate have become close to the team, keeping the mood in the dugout loose, and reminding the kids why we play the game... FUN!

Assistant Coach Zach Batté

Assistant Coach Zach Batté Bio... Graduated from Idaho Falls High School in 2008. Male Athlete of the Year at Idaho Falls High School. Attended Eastern Arizona College this past year on a baseball scholarship. Started at second base for Eastern Arizona and led the team in batting average. Coach Brandon Jackson Message... Take me out to the ball game! That statement says it all. I love the game of baseball and believe I have the ability to pass that on to the ball players I coach.

I am happy with the progress the boys have been showing and feel very confident that we will have it all together going into districts. I believe that these boys have the work ethic and desire that will continue to bring them success on the ball field and in life.

Thanks to all those who help make the Royals team successful, from our parents to our fans. We appreciate our sponsors and all the hard work that goes into American Legion Baseball.
